

# CAMPFIRE SAFETY + RULES

## **Fire is not a toy.**

Fire is powerful.  
We look at it.  
We learn from it.  
We do not touch it.

## **Walking only.**

We walk, never run, near the fire.  
We keep our balance.  
Two feet always on the ground.  
We stay aware of others.

## **Stay behind the fire circle.**

We always stay outside the fire ring.  
Our bodies stay 3 feet from the fire.  
We do not run near the fire.

## **Only grown ups add to the fire.**

Only adults put wood on the fire.  
Only adults put OUT the fire.  
Kids can help by gathering sticks, OR  
can practice building small campfire structures.

## **Admire.**

We can admire the fire with our eyes.  
We can watch it burn, glow, and make bright colors.  
We do not touch it with our hands or feet.  
We do not throw anything into the fire.
