

TEENY TINY TRAILBLAZERS

THINGS TO KNOW BEFORE YOU GO

GROUP MEETUP TIME and LOCATION

TIME

10:00AM -12:00PM Every Friday

LOCATION

Blue Bill Cove

578 Park Ave. Portsmouth, RI 02871

*Private Residential Lot across the street from the autobody shop.

PARKING

OSK families are asked utilize street parking while being conscious of private driveways.

THE COVE

The Cove location is located in Island Park, and is a private residential property owned by a family friend.

Each day we will gather down at the beach, which is a brief walk from street parking. It is encouraged to bring a wagon if you think it will be helpful. You will see the OSK sign outside the fence entrance.

DANGER! THE DOCK.

The property has a very tempting boat dock. We ask that families do not go on the dock. It's very high, and is even more dangerous at low tide.

LEAVES IN THREE, LET THEM BE.

The property is lush and beautiful, with a little mini forest at the top of the hill. Avoid plants with clusters of three leaflets on a single stem to protect yourself from poison ivy. The property owner does his best to reduce the growth, but it will always exist.

GOING POTTY

Porta-potties will be on site, if they happen to be not on the property, we have the option for a good ol' fashion nature pee. Run for the forest!

It will be the responsibility of the parent to help keep the porta-potties clean and assist your child in disposing of any trash. Wipes and plastic bags are provided if needed!

MESSY PLAY

Children are expected to get dirty, like really dirty...it's all part of their exploration and learning. Please bring a spare change of clothes and dress your children in clothing suitable for active, outdoor, and messy play. Visit www.outdoorschoolshop.com and use the code "ocean" for a 15% discount off your entire order.
